COLORS that
blend like well-
pitched voices.

Patterns as satisfying
as a well-loved mel-
ody.

Texture as rich and soft as a crooned
lullaby.

A well-chosen Whittall rug has har-
monies as welcome to the eye as music
to the ear.

May we help you choose the Whittall
Rug which will tune your room to per-
fect harmony. Our rug department is
well equipped to render you this service
and we have Whittalls.
